Dear Applicant

Thank you for your interest in joining Devon Maternity and Neonatal Voices Partnership (MNVP) in the role of **Neonatal Lead**.

Devon MNVP is seeking a passionate and enthusiastic **Neonatal Lead** to join our team, and to support our work engaging with diverse communities across Devon about their maternity and neonatal experiences. You will represent their voices in NHS Trust and system meetings, bringing vital insights and constructive challenge and scrutiny to inform positive changes.

Devon MNVP is hosted by a community interest company called [Evolving Communities](http://www.evolvingcommunities.co.uk) which specialises in delivering high quality local engagement delivery and support.

In this pack you will find a job description including person specification and application form.

Not sure you meet all qualifications? Let us decide! Research shows that people from under-represented groups tend to not apply to jobs when they think they may not meet every qualification, when, in fact, they often do! We are committed to creating a diverse and inclusive environment and strongly encourage you to apply.

If you have any questions about this job, you are welcome to contact me, Lara Grigg via email - [lara@devonmaternityvoices.org.uk](mailto:lara@devonmaternityvoices.org.uk)

We look forward to receiving your application by 5pm Wednesday 5 November 2025. Please note that interviews will be held on Monday 17 November 2025 in Exeter. We will contact you to let you know whether or not you are invited to interview.

Yours sincerely
