Dear Applicant

Thank you for your interest in joining the Dorset Maternity and Neonatal Voices Partnership (MNVP) in the role of **Trust Lead (Co-production and Engagement)**.

Dorset MNVP is seeking a passionate and enthusiastic **Trust Lead (Expert by Experience)** to join our team and support our work engaging with diverse communities across Dorset to understand maternity and neonatal experiences. You will represent their voices in NHS Trust and system meetings, bringing vital insights and constructive challenge and scrutiny to inform positive change.

Dorset MNVP is hosted by a community interest company called [Evolving Communities](http://www.evolvingcommunities.co.uk) which specialises in delivering high quality local engagement delivery and support. In this pack you will find a job description including person specification and application form.

Not sure you meet all qualifications? Let us decide! Research shows that people from under-represented groups tend to not apply to jobs when they think they may not meet every qualification, when, in fact, they often do! We are committed to creating a diverse and inclusive environment and strongly encourage you to apply.

If you have any questions about this job, you are welcome to contact Rachel Filmer, MNVP Lead - [rachel.filmer@evolvingcommunities.co.uk](mailto:rachel.filmer@evolvingcommunities.co.uk).

We look forward to receiving your application by 5pm on Wednesday 5 November. Please note that interviews will be held on Wednesday 19 November in Dorchester. We will contact you to let you know whether or not you are invited to interview.

Yours sincerely
