Dear Applicant

Thank you for your interest in joining Dorset Maternity and Neonatal Voices Partnership (MNVP) in the role of **Volunteer and Engagement Officer**.

Dorset MNVP is seeking a passionate and enthusiastic Volunteer and Engagement Officer to join our team, responsible for our community engagement work, including recruiting and supporting volunteers and helping with social media. You will work on engagement projects in the community with charities and with volunteers to gather feedback, information and understand barriers to access.

Dorset MNVP is hosted by a community interest company called [Evolving Communities](http://www.evolvingcommunities.co.uk) which specialises in delivering high quality local engagement delivery and support.

There is some flexibility in when hours can be worked, although we will need to balance accommodating flexibility with the needs of the service. We encourage those interested to apply, and we can discuss the specifics with the right candidate to ensure we can cover the requirements as a team. At Evolving Communities we welcome flexible working.

In this pack you will find a job description including person specification and application form.

If you use AI in your application, you must declare it (please see the application form). Undisclosed use of AI will render an application disqualified.

Not sure you meet all the qualifications? Let us decide! We encourage people to apply even if they are not sure they meet all the criteria as we are looking for the best fit for the role and training will be provided. We are committed to creating a diverse and inclusive environment and strongly encourage you to apply.

If you have any questions about this job, you are welcome to contact Donna Butland, Chief Operating Officer MNVP & Service User Voices on email donna.butland@evolvingcommunities.co.uk

We look forward to receiving your application by **5pm Wednesday 14 October 2026**. Please note that interviews will be held Monday 2 November 2026. We will contact you to let you know whether or not you are invited to interview.

Yours sincerely

Lucie Woodruff
CEO - Evolving Communities
