Dear Applicant

Thank you for your interest in joining the Gloucestershire Maternity and Neonatal Voices Partnership (MNVP) in the role of **Engagement and Volunteer Officer**.

Gloucestershire MNVP is seeking a good listener and communicator, with experience of engagement and supporting volunteers. You will be engaging with people across Gloucestershire about their experiences of using maternity and neonatal services. Working with diverse communities and making sure their voices are heard; you can make a positive difference.

Gloucestershire MNVP is hosted by a community interest company called [Evolving Communities](http://www.evolvingcommunities.co.uk) which specialises in delivering high quality local engagement delivery and support. In this pack you will find a job description including person specification and application form.

Not sure you meet all qualifications? Let us decide! Research shows that people from under-represented groups tend to not apply to jobs when they think they may not meet every qualification, when, in fact, they often do! We are committed to creating a diverse and inclusive environment and strongly encourage you to apply.

If you have any questions about this job, you are welcome to contact Stef Scott, Gloucestershire MNVP Senior Lead on - stefanie@gloucestershiremvp.co.uk

We look forward to receiving your application by **midnight on Sunday 17 May**. Please note that interviews will be held on **Friday 29 May** in person, venue to be confirmed. We will contact you to let you know whether or not you are invited to interview.

Yours sincerely
