Dear Applicant

Thank you for your interest in joining the Gloucestershire Maternity and Neonatal Voices Partnership (MNVP) in the role of **Strategic Lead**.

Gloucestershire MNVP is seeking a passionate and enthusiastic **Strategic Lead** (Expert by Experience) to lead our team, and our work engaging with diverse communities across Gloucestershire to understand maternity and neonatal experiences. You will represent their voices in NHS Trust and System meetings, bringing vital insights and constructive challenge and scrutiny to inform positive change.

Gloucestershire MNVP is hosted by a community interest company called [Evolving Communities](http://www.evolvingcommunities.co.uk) which specialises in delivering high quality local engagement delivery and support. In this pack you will find a job description including person specification and application form.

Not sure you meet all qualifications? Let us decide! Research shows that people from under-represented groups tend to not apply to jobs when they think they may not meet every qualification, when, in fact, they often do! We are committed to creating a diverse and inclusive environment and strongly encourage you to apply.

If you have any questions about this job, you are welcome to contact me, Lucie Woodruff at Evolving Communities on 01225 701851 or you can email - [lucie.woodruff@evolvingcommunities.co.uk](mailto:lucie.woodruff@evolvingcommunities.co.uk)

We look forward to receiving your application by **5pm Thursday 16 October 2025**. Please note that interviews will be held on Tuesday 28 October at Shire Hall, Gloucester. We will contact you to let you know whether or not you are invited to interview.

Please note, we are recruiting to more MNVP Gloucestershire roles and may ask the **Strategic Lead** successful candidate to take part in other team interviews. These interviews will take place on Tuesday 4 November and Thursday 6 November.

Yours sincerely
